

## EDUCATION

### George Brown College • 2018-2020

Ontario Advanced Diploma in Graphic Design

### Huron University College • 2013-2017

Bachelor of Arts · Specialization in English Language & Literature  
Minor in Sociology

## WORK EXPERIENCE

### Staples Canada • 2017-present

*Solutions Shop Associate*

I communicate with client's about their print and marketing requirements in order to provide the best product and experience for their order. When necessary, I assist clients in formatting their document to be print-ready, largely using Adobe Acrobat Reader. I use digital printers to produce orders as well as other machinery to complete any finishing, such as lamination, bindry, and cutting.

### George Brown College • 2019

*Student Researcher*

I collaborated with my design team to present mockups and assets to refresh our client's website and ensure that it appealed to their target demographic.

### Books Plus at Western • 2013-2017

*Print Shop Specialist*

As a fast learner, I quickly became responsible for training co-workers on best practices for order taking, as well as how to safely and efficiently maintain and make use of the digital printing and finishing machinery on-site. I was also selected to assist at our larger print production facility during rush periods.

## SKILLS

Adobe CC  
Digital print production  
Logo Design and Branding  
Advertising Campaign Design  
Vector Illustration and Gradient Mesh  
Packaging Design  
Photography  
Typesetting
